

THE ODYSSEY SCHOOL OF DENVER

SPRING AUCTION

FALL 2019

Dear Friend,

The Odyssey School of Denver is hosting its annual fundraising auction on March 20, 2020, and we are hoping to gain your much needed support! We have many advertising and marketing opportunities available in return for your financial patronage. Partnering with our school not only provides one of Denver's top public schools the ability to meet financial obligations, it also allows your brand and logo to capture a large audience and increase revenue for your small business or corporation.

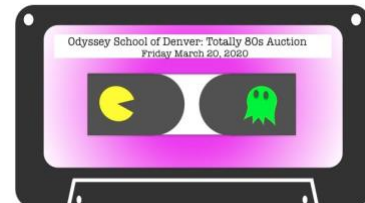

We are offering companies several different advertising levels this year. Should you choose to sponsor our auction, your business logo will be included in all family and community correspondence and social media, from now until Spring of 2021. Advertising could also include the posting of a banner alongside our school fence, adjacent to the busy intersection of Montview and Monaco Boulevards, that would reach thousands of drivers each day. Regardless, our tiered sponsorship options provide flexibility for you to choose how you would like to participate.

The Odyssey School of Denver is an EL Education (Expeditionary Learning) school located in Park Hill, and our families come from the greater Denver Metro Area. Our K-8 students experience learning through long-term, in-depth expeditions, fieldwork and a focus on character development. In addition, our students engage in a robust adventure program that supports them in building skills in collaboration, self-care, independence and a connection to the natural world. We prioritize 33% of our seats for families and students who qualify for the free and reduced lunch, and we are an inclusive, high-performing, and diverse school of learners.

In order to fully serve our students and staff, we hope to raise funds, totaling \$35,000 through our annual spring auction. These funds are vital for continuing our para program, ensuring equitable and competitive teacher pay, funding our highly regarded adventure program and meeting other school needs. Your partnership with Odyssey is tax deductible as the school is a 501(c)(3) non-profit organization.

Thank you for your time and consideration.
