The school is a participant in the State's public pension	plan (PERA)			
and began reporting a portion of the State's unfunded net pension				
liability following Governmental Accounting Standards Board Statement				
(GASB) No. 68, Accounting and Financial Reporting for Pensions - an				
amendment of GASB Statement No. 27 in fiscal year 2015. The School also				
participates in the State's Postemployment Healthcare Benefit Plan per				
GASB statement 75. As a result of these GASB statements, the school				
records an expense in its Government Wide financial reports each year				
that swings widely from year to year based on future investment return				
assumptions, participation, and other projections made by PERA's				
actuaries. Due to the unpredictable and uncontrollable n	ature of these			
swings, and that the liability is not a true liability of	the school,			
these State driven accruals are reported as Other in Part	IX to allow			
the reader to track the impact of these accruals separately and to				
remain consistent with historical reporting.
